Growing Vegetables A to Z - The Spruce

Use frozen or fresh chopped vegetables, let kids decide how much of each vegetable goes in the pot. Cook on high for 2-3 hours, serve with crackers. Raw veggies (served with sour cream or ranch dressing): Cauliflower, celery, broccoli, carrots, radishes (may be a little spicy for younger children), lettuce, green onions, Etc.

Vegetables Activities & Fun Ideas for Kids | ChildFun

Cucumbers can also be grown up rather than out very successfully. Tomatoes and capsicums give a great yield for the space they take up. How much space they need to grow is also a good reason to grow or not grow something. There is a lot more to a growing cabbage than what you see at the supermarket - some varieties take up a fair bit of space.

What Vegetables To Grow - Let's Grow Vegetables

Spinach is a very easy crop to grow and deserves a top spot in the easiest vegetables to grow list. It is much like growing loose leaf lettuce. You will need to plant it in well-drained soil with compost. It can be planted in full sun or light shade. It is best to direct sow spinach.
