2. There are an infinite number of reasons to say no -- something is stirring the yes within you: For something to be a question mark -- a very considered decision -- something, often deep inside of us, is saying yes. A no should be clear and obvious. Pay attention that little cheerleader for the yes for a while.

Mary's "yes" is most profound to me in the way that it changed her life. It is believable, even without God's request, that she and Joseph would have become parents.

Because of her "yes" though, she became not only a mother, but the mother of Jesus.
